

St George Residence – Junior Summer Program

Location

Our junior residence is located in the heart of Brooklyn Heights, Brooklyn's most central and vibrant neighborhood, only 5 minutes' walk from one of the best views of the New York skyline from the Brooklyn Promenade. Students are just 3 minutes' walk away from the restaurant where they have breakfast and dinner everyday, and 6 minutes' walk away from the junior meeting point where they meet teacher and classmates every morning.

It is a perfect location for a Summer Junior English camp in New York, giving our young students easy access to all activities taking place each day, and only one subway stop from Manhattan!

Amenities

Students stay in twin rooms with another BSL student of the same gender but different nationality, and share an ensuite bathroom. Rooms are fully furnished with beds, desks and closets that maximize living space. There is free wi-fi, cable tv, refrigerator, and microwave in all rooms.

Bed linen is provided but students need to bring their own towels.
