

Excursions & Activities

A large part of a summer school experience is exploring the local towns and beaches, and attractions with new friends! Two thirds of the student experience is spent out and about, away from the classroom and therefore Embassy Summer has spent many years tailoring its programmes in each location to maximise the whole student adventure.

We recognise that the excursions and activities are as important as the English language classes.

All our programmes include a variety of full day and half day activities, and students also have the opportunity to take part in additional trips (known as optional activities) if they want to explore the locality further.

Our activity programme is designed to ensure that students maximise their opportunities to mix and meet with other students from all over the world in a less formal setting than a classroom, that they continue to use their English language outside of the classroom and that, most importantly they remain healthy, happy and have a fun experience!

Sandy and rocky beach
Relax, swim and enjoy the sunshine! Have fun playing beach volley and other beach games with your new friend and Activity Leaders.

Comino & the Blue Lagoon
Comino is the smallest island of the Maltese Archipelago, and it is situated between Malta and Gozo. Only 3.5 square kilometers, Comino is car-free with a permanent population of a handful of people. It is the home of the Blue Lagoon known for its transparent, turquoise waters and diverse marine life. This makes it a popular spot with divers, snorklers and swimmers.

Waterpark
Experience the thrill of the wacky "Side Winder", shoot down slides or chill on the "Lazy River!"

You will be given an entrance ticket which will entitles you to unlimited use of all the facilities.

Valletta
Maltá's capital city, Valletta, is nothing short of an open-air museum and world heritage site. It is known as Il-Belt in Maltese, meaning "The City".

Valletta is dotted with historic cafés, museums, restaurants, banks, hotels and government offices.

Mdina

Mdina, also called The Silent City of Malta, is a fortified hill-top urban settlement located at the very heart of the Maltese Islands.

It was the administrative and political capital of the Maltese Islands until 1530. It is also the oldest continuously inhabited city on the island.
