Accolades

- 60% of faculty hold advanced degrees
- 98% of students continue on to college
- Class of 2018 awarded over \$20 million in college scholarships
- Nationally competitive robotics team
- 72% of students who take AP exams earn college credit

English Language Support

International Foundations course helps international students excel in academics, participate in extracurricular activities, master English language skills and learn about American culture. Every international student is paired up with an American student in their grade with fun trips and events every month.

COLLEGE COUNSELING

Two college counselors guide students through the college selection and application process. For students considering a STEM major, the school's STEM coordinator brings years of experience and knowledge to assist students.
